Sponsor a concert fundraising for reproductive freedom and promoting voter turnout!

Minnesota is an island in the Midwest for reproductive care. Your support helps clinics meet increasing service needs of Minnesotans and those seeking care from neighboring states. National and local entertainment on stage pair with organizations and vendors in creating a positive atmosphere. Attendees will hear from pro-choice candidates defending their right to choose from the front line. **Proceeds go directly to Minnesota patient services and reproductive rights organizations: Whole Women's Health, Robbinsdale Clinic, WE Health Clinic, Red River Women's Clinic, Planned Parenthood, Our Justice, Gender Justice, NARAL Pro-Choice and Women Winning.**
