

A CHRISTMAS CELEBRATION WITH **THE STEELES**

DEC. 21 & DEC. 22, 2024
PANTAGES THEATRE IN MINNEAPOLIS

Sponsoring The Steeles' Christmas Show, not only supports a beloved holiday event that brings community and culture to the heart of the Hennepin Theatre District, but also helps build a more inclusive future in the production industry. This nonprofit 501(c)3 collaboration between **Hennepin Arts** and the **Rock What You Got Fund** aligns arts, economic vitality, and social change, funding mentorships and hands-on training for women, non-binary, and BIPOC students in media production. Your support empowers the next generation with skills, connections, and opportunities they need to thrive—making a lasting impact both on stage and behind the scenes.
